

## **Remaining Alive**

Posted on [December 23, 2011](#) by [SeattleCoach](#)

*I confess to a little life-reflecting this morning. So far, this quote by Edith Wharton is the quote of the day. She probably wasn't think about Christmas when she wrote it, but it fits.*

*"In spite of illness, in spite even of the archenemy sorrow: one can remain alive long past the usual date of disintegration if one is unafraid of change, insatiable in intellectual curiosity, interested in big things, and happy in small ways."*
