peb@seattlecoach.com

A highly experienced leader and coach with demonstrated ability to launch and lead organizations, as well as to join with established teams and groups. A proven ability to develop coaches and leaders, beginning with the collaboration of both aspirational and behavioral outcomes. Takes a special delight in designing, building and sustaining work cultures that people love to join. A master executive coach.

- *Program and Workshop Design and Facilitation*
- *Executive Coaching and Development for Leaders and Their Teams*
- *Building Depth of Human Capital in Strong Organizations*

Professional Experience

- Founding leader and Principal of SeattleCoach LLC (2003-present), an executive coaching and leadership development practice. A special focus on customer experience and on coaching and communication for managers and directors. Areas of expertise include: Coaching for practical innovation, team collaboration, conflict management, transition planning and entrepreneurial presence. In all of her work, Patricia identifies, develops and leverages the key strengths and assets of groups and teams.
- Creator and Principal of the [SeattleCoach Professional Training Program](#) (2008-present), equipping leaders to be coaches, both within organizations and in private practice. With a focus on skills, methodology, personal presence and customer experience, this program has been credentialed by the [International Coach Federation](#) and has been customized for learning and development within organizations.
- A Licensed Marriage and Family Therapist with the [Samaritan Center of Puget Sound](#) (1995-2006). Patricia's background in the practice of gracious and clear communication patterns, and of internal and external systems theory serves her currently in work with leaders and their organizations.
- International Christian Non-Profit, US Executive Leadership Team Member and international envoy to the former Soviet Union, 1983-1993. Through these years Patricia learned lasting lessons about working with leaders and entrepreneurs that are highly-placed, cross-cultural and intergenerational.
